

Ogre::ParamCommand

```
classDiagram
    class ParamCommand["Ogre::ParamCommand"]
    class CmdTop["Ogre::OverlayElementCommands::CmdTop"]
    CmdTop --|> ParamCommand
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'Ogre::ParamCommand'. Below it is a box labeled 'Ogre::OverlayElementCommands::CmdTop'. A blue arrow points from the 'CmdTop' box up to the 'ParamCommand' box, indicating that 'CmdTop' inherits from 'ParamCommand'.
