

Ogre::StringInterface

```
graph BT; A[Ogre::ExternalTextureSource] --> B[Ogre::StringInterface];
```

A UML class diagram showing an inheritance relationship. At the bottom is a gray-shaded box labeled 'Ogre::ExternalTextureSource'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'Ogre::StringInterface'. The arrow indicates that 'Ogre::ExternalTextureSource' inherits from or implements 'Ogre::StringInterface'.

Ogre::ExternalTextureSource
